

Bunny Times iPad Installation

Bunny Times can be played on your computer using The Geometer's Sketchpad 5.0. You can also play Bunny Times on your iPad using the free Sketchpad app, Sketchpad Explorer.

Here are the steps to install Bunny Times on your iPad.

1. Download the free Sketchpad Explorer app from the App Store.
2. Download **Bunny Times.gsp** from the Dynamic Number website (<http://dynamicnumber.org>) onto your computer.
3. Connect your iPad to your computer and start iTunes.
4. In iTunes, select your iPad from the list of Devices and open its **Apps** tab.
5. In the window section titled **File Sharing**, choose **SketchExplorer** from the list of apps that can transfer documents between your iPad and your computer.
6. Drag and drop **Bunny Times.gsp** from your computer to the list of **Sketch Explorer Documents**.
7. Open the Sketchpad Explorer app. Tap the Library button in the lower-right corner of the screen and choose **Bunny Times.gsp** from Local Documents.
