

Factors in Blue and Gold— Explore Patterns of Factors

Name: _____

You will explore factor patterns in an array.

EXPLORE

Open **Factors in Blue and Gold--Patterns of Factors.gsp**. Go to the “Array” page.

Work with a partner. To change the height and width of the array, drag the red point.

For each investigation, write down an interesting question to investigate.

Then write your investigation notes. What did you observe? What did you do?

Finally, write down what you found out as you explored the factor patterns in the array. Be prepared to discuss your thinking.

Question 1: _____

Investigation: _____

Question 2: _____

Investigation: _____

Question 3: _____

Investigation: _____
